ANNUAL REPORT 2012-13

A YEAR 2012

2012 has been an upgraded year for us with a start of the Training Center for various course and help to promote the better livelihood for unemployed or unskilled people. We promote the better health as well as other aid, received so many friendly hands to join and lots of greetings from lots of people. It was an opportunity to found the health issue at urban base line of life as Riksha wala and rural agriculture farmers.

A heart-felt address further, the AIDS Awareness campaign created opportunities for lacks of adolescents and youth to participate in activity.

We applied for UJJAWALA, Open Shelter Homes, Children Homes, HLPPT training Module, CGSACS TI projects and many more...we started walking forward after provided help and fulfill needs of maximum of our brothers and sisters.

“Moving to next Level.”

"HAND FOR HELP"

*"Come and join us to help
ours"*

Our Vision and Mission are indicating that we Help & Helps Samiti focusing to help every Indian completes their basic need to keep nation with development country."

Every year, we reach millions of people for both rural and urban areas through a range of interventions. Our programs include Awareness campaign, Blanket Distribution, Environment seminars etc...

Over the years, Help and Helps Samiti has moved from being a service delivery organization to one which successfully impacts policy and practice. Senior team members are a part of several policy making bodies both at the Central and State levels.

Help to Better Health
 Better Education
 Better Livelihood
 Better pluck to smile
 Better security to live

"Respect and Help"
"How much you give more you receive"

ENVIRONMENT DAY FOR FARMERS

**Plant Distribution
at Village Sammanpur**

An Environment day event with farmers at Village Sammanpur, District Raipur, we aware farmers for current scenario of new technique of agriculture and importance of trees in the middle of two adjoining position of agriculture lands. What to plant apart from tradition crops, what and how Government support, with subsidy, loans, kisan friends, water solutions etc...

We provided snacks and distributed important plants as Neem (*Azadirachta indica*), Kat Hal (Jackfruit), Amla (*Phyllanthus emblica*), Aam (Mango), Amrud (Guava), Baas (Bamboo) and others.

The plan was for one village as it impact and made impression deeply so other village farmer who attended event demanded for this event on their village too. So, on the same day we also conduct the Jora and Tulsi Village

With all three Villages, We provided this information and aware nearly 129 farmers.

TRAINING CENTER

Korba Training Center

We join hand with Centum Work skill, it is a Bharti (Airtel) group sister organization for social work. We establish our training center at Korba Transport Nagar for the training of BPL unemployed family persons. We conduct the courses for the training of Waiter, Security Guard, and Hospital Ayya. It was a good experience to understand the position and conditions of people who are unemployed and not skilled to work for better salary. The Project was sponsored by SUDA, Chhattisgarh State Urban Development Authority. We trained 68 girls and boys, we placed the trainee to well reputed organizations for the job.

**Near Railway Station,
Raipur**

BLANKET DISTRIBUTION

As decided and being always we distribute hot blankets at Raipur City near railway station, bus stand, near temple, masjid, church and other areas. We found and help 156 peoples as they were not having proper cloths or blankets in a winter season. As per the plan we divided in a group and start working after mid night follow and trace to identify these people after reaching those areas. It was a one day activity and that too give us an idea about them, we have to work more on this, so that people don't reach to that stage.

HEALTH CAMP FOR RIKSHA WALA

A issue with head of the family who does not get time and money to check up his health while he always busy with earning money to survive his family. A Health Camp to Riksha Wala (Tricycle drivers/puller). We tried hard to stop these men for check up and found some how 143 people. Out of 143, 121 were alcoholic & addicted because they have work hard and need much body pain relaxation. As we check up for health and found all have their mussels problem and few have eye problem, we aware them for safe drinking water, cleaning germs before and after food, important of rest with respect of work and side effect of alcohol. We provide general medicine according to check up of each person.

**Road Show Activity for
AIDS awareness**

NACO CSM PROJECT

A Project of NACO CSM, it was a project to promote condoms for safety of human life by the threat of HIV/AIDS diseases. We reached 448 blocks including cities, to promote condom use and safe life, with all information of AIDS, STI and family planning. We aware with designed TV shows, pamphlets, audio jingles, Anchoring, games etc...It was memorable with Pashupati Chemicals and Pharmaceuticals Limited who join hands with us. We aware more than 2, 00, 000 people and shows to make secure life as "Prevention is cure for AIDS". Our Road Show Activity was started from 01-02-12 and completed on 17-05-12.

**Nukkad Natak Activity for
AIDS awareness**

A NACO CSM project took a big turn to promote condom at the base level and this year we started Nukkad Natak at Village areas, this year it is a project for 212 days i.e. 848 Villages. We Design a Vehicle as Tata magic with logo, brand and slogan. We prepared a team of artists and script that aware the Village people about AIDS/STI and family planning. This year our Nine (9) project district are Raipur, Bilaspur, Durg, Rajnandgoan, Sarguja, Raigarh, Koriya, Narayanpur and Bastar.
