LOCATION: NEAR PUSHP-VATIKA, WARD NO: 18, OLD IRRIGATION COLONY, JANJGIR-495668 DISTT:-JANJGIR-CHAMPA (C·G·)

START DATE: 01/09/2015

ESTIMATED END DATE: 31/08/2020

INTRODUCTION

A large number of children in need of care and protection are in need of residential care and protection during the pendency of any enquiry and subsequently for their long term care, treatment, education, training, development and rehabilitation.

We reception and residential care of such children, we shall serve as a home away from home and provide comprehensive child care facilities to children for ensuring their all round development.

We work towards enhancing the capabilities and skills of children and work with their families with the view of facilitating their reintegration and rehabilitation into mainstream society.

OBJECTIVE

We provide permanent residential facilities for children but will complement the existing institutional care facilities. The objective of these Children Home include:

>To provide a safe and secure environment for overall development of the children in need of care and protection and children in conflict with law.

>To attract above mentioned target group of children from their present vulnerable life situation to a safe environment.

To wean these children away from the vulnerable situation by sustained interventions.

>To guide these children away from high risk and socially deviant behaviors.

 To provide opportunities for education & develop their potential & talent.

>To enhance life-skills and reduce their vulnerabilities to exploitation.

>To reintegrate these children into families, alternative care and community.

>To carryout regular follow up to ensure that children do not return to vulnerable situation.

>To provide health care and healthy nutrition food.

>To enhance art and sports skill reduce their exploitation of their childhood.

✓ Identify such children within the geographical area/location of the Open Shelters.

✓ Use innovative child friendly approaches and outreach activities to make contact with them.

✓ Supplement services through contact locations that could be established on railway platforms, crowded market areas, tourist destinations, bus stands, etc.

✓ Contact Locations can be established running the 24-hour Open Shelters.

✓ Use techniques like music, drama, storytelling, outings and other child friendly methodologies to attract and sustain the interest of the children.

CONT...

✓Once children start participating, Open shelters should introduce age-appropriate education, access to vocational training, recreation, bridge education, linkages to the National Open School Program, health care, counseling, etc.

✓ Cater to individual specific needs like substance abuse, behavioral problems and socially deviant behaviors among others.

Encourage involvement of social workers, community volunteers, peer educators, students and others. This will provide opportunity to people with skills and time to mentor, guide and improve the quality of life of these children.

BENEFICIARY

Children, of the age of 0 to18 years.

Children staying in child care institutions for more than six months continuously, who can be restored to their families, with financial support.
